## TRAINING AND PLACEMENT

The Placement Cell of the Institute is working in close co-ordination with the faculty which provides a platform for students seeking recruitment to interact with possible recruiters on the campus. The Placement Cell in addition to final placements, companies and other organization also take on first year students for summer internship program. We also provide Personality Development Program for all graduates and post graduates students every year. In addition we conduct Academia-Industry Interaction sessions, Guest Lectures, Seminars, Work-shops, Industrial Tours, Vocational Training and Campus Interview.

**B.TECH. | MBA | BBA | BCA | DIPLOMA**

**Our Chairman**

Hon'ble Mr. Sanjeev Agrawal holds a Masters degree in Commerce from the Kanpur University and MBA Degree from Coca-Cola University, Atlanta, USA. He was instrumental in establishing the state-of-the-art plant carbonated soft drink under franchise with Coca-Cola Company at Kanpur, Sahibabad, Greater Noida and Rourkela. Hom'ble Mr. Sanjeev Agrwal has kept up the untiring hard work and devotion of his father through his guidance and focused approach to quality education by establishing two more institutes named as Ishwarchand Vidya Sagar Institute of Management (BBA/BCA) & IVS Polytechnic.

**OUR FOUNDER**

Ishwarchand Vidya Sagar Group of Institution (Ishwarchand Vidya Sagar Institute of Technology & Ishwarchand Vidya Sagar Institute of Management) was setup in 2006 by Late Prof. Murl Manohar Agrawal Ex-Member of Parliament (Rajya Sabha), Govt. of India to provide high quality technical and professional education. He was great visionary and influenced by the philosophy of Ishwarchand Vidya Sagar Considering the global need of technical and management education, he formed Radha Bihari Shiksha Samiti, society devoted to the cause of education.

**CAMPUS**

The campus is spread over 26 acres of land with lush green environment. Being away from the city it provides and creates an ambience leading to the all-round development of the students. It has an excellent infrastructure, well equipped labs & Wi-Fi campus to facilitate the process of learning.

**OUR VISION**

- To evolve as a premier Engineering and Management institute in the country.
- To spread global education by inculcating discipline, values and knowledge into the young minds of India and would them into enlightened citizens of the nation.
- To impart absolute professionalism in thought and practices of our young minds.

**QUALITY**

We aspire to establish a system of quality assurance which on a continuous basis evaluates and monitors the teaching - learning process, provide individual attention, character building and develop the institutes as of excellence.

- To envisage future challenges in technical as well as management field at National and International level.
- To promote research and development culture to transform India from developing to developed country.
- To shape competent Engineers and Managers who can become leaders of the Indian Industrial and Economic Growth and strive ahead of the intense global competition.

**OUR MISSION**

Education is the spinal cord of any country. A great nation is so called when its citizens are well educated and civilized. The visionary Late Mr. M.M Agrawal materialized his vision and dream by founding IVS Group Institutions. With the view-point given below:

- To fulfill the need of vocational and technical education.
- To form an educational hub to support the economy through employment, entrepreneurship, creativity, knowledge transfer, research and development.
- To develop passion to excel professionally.
- To create a spirit, to be of ut most use to the industry, corporate sector and the society at large.
- To synergies knowledge, technology and human resource, the best quality of education is imparted in Technology and Management disciplines. In the process, education is made more objective to increase employability on a continued basis.
- To groom the professionals who would carry forward the spirit of scientific thinking and work for the progress of our country and humanity in general.

**STUDENTS FOCUS**

Student welfare is at centre of all activities. Making learning a joy, academic excellence, development of professional skills, strong work ethics, accountability, integrity, team-work, helping each other, social awareness, innovative approach to practical and social problems are of prime concern.

**INFRASTRUCTURE**

**LECTURE HALLS:**

The lecture halls are spacious and airy. They are equipped with modern teaching aids & specially designed for comfortable seating contours for concentrated study.

**SEMINAR HALLS:**

The Institute has a big seminar hall well equipped with modern audio-visual gadgets, DLP projector, etc.

**LIBRARY & BOOK BANK FACILITY:**

Library is the heart, soul and brain of any academic institution. The institute has separate blocks and information centre named as Tilak Library to fulfill the needs of students for different academic programs and facilitate the process of learning. The Institute offers book bank facility which aces course at minimal cost thus saving the student time & stress in keeping track of the required course material.

**MEDICAL FACILITIES:**

A medical Officer is available round the clock. The Institute has well equipped separate infirmaries for boys and girls.

**SPORTS FACILITY:**

In addition to the curriculum, students are encouraged to play game every evening. Basketball, cricket, volleyball, badminton, are the most happening games of the campus. Annual sports meet is held among the students of all branches in the month of February to develop a healthy spirit of Competition.

**B-Tech.**

**Ishwarchand Vidya Sagar Institute of Technology IVSIT Code - 239**

(Courses are approved by AICTE & Uttar Pradesh Technical University (UPTU).

**Duration - 4 Year**

Eligibility: UPSEE / AIEEE rank or 10+2 with minimum 45% (5% relaxation in case of SC/ST) in Physics & Mathematics as compulsory subjects, either Chemistry / Biology / Biotechnology as optional subjects.

Branches: Civil Engineering, Mechanical Engineering, Electronics & Communication Engineering, Electrical & Electronics Engineering, Computer Science & Engineering and Information Technology.

**Direct Admission To Second Year B.Tech. (Lateral Entry)**

Lateral Entry: For admission to second year (lateral entry of B.Tech, the candidate must have passed three years Diploma in engineering course; securing minimum 45% for General & OBC (40% in case of candidates belonging to SC/ST category) marks in aggregate or three years B.Sc. Degree and Passed XII standard with Mathematics as one subject; securing minimum 45% for General & OBC (40% in case of candidates belonging to SC/ST category) marks in aggregate in B.Sc. as per details provided in the brochure.

**MBA**

**Ishwarchand Vidya Sagar Institute of Technology IVSIT Code - 239**

(Courses are approved by AICTE & Uttar Pradesh Technical University (UPTU).

**Duration - 2 Years**

Eligibility: UPSEE Rank or 3 years degree from any recognized university securing minimum 50% for General & OBC aggregate in any stream (45% in case of candidates belonging to SC/ST category) marks in aggregate in any stream.
